

## WARRANTY CONDITIONS

We remain available to you even after the installation of your doors. ANYWAYdoors offers a **five year factory warranty** on all ANYWAY-specific parts and materials. For the first two years after installation, there are no travel fees and/or hourly rates charged for work performed. The applicable rates after two years are described below.

When a service intervention is needed, please fill out the request form on our website [www.anywaydoors.be](http://www.anywaydoors.be)

### 0 - 2 years

*Repair + 5 years after installation is only possible based on the availability of the required materials.*

**Glass:** We recommend checking your home/fire insurance policy for coverage of glass breakage, as even safety glass is damageable and/or breakable!

All foreign system components or materials are subject to the respective manufacturer's warranty and standards. All raw materials and suppliers selected by ANYWAY meet the basic quality requirements.

Use wear, damage due to improper use, and/or improper maintenance are not covered by any warranty.

For all information regarding cleaning/maintenance of ANYWAY doors, consult our maintenance sheet or F.A.Q. on our website [www.anywaydoors.be](http://www.anywaydoors.be)
